

MEWDC Annual Member Sponsorship

The Power of Partnerships 14 years delivering results for the energy industry in Michigan.

Through an enduring commitment to partnership and collaboration, the consortium has:

 <p>Created high school, CTE and college level energy programs</p>	 <p>Hired hundreds of energy program graduates</p>	 <p>Promoted energy careers to thousands of students</p>	 <p>Acquired millions of dollars in grant funding for the members</p>	 <p>Received "Game Changer Award"</p> <p>CLICK HERE</p>
---	--	---	---	---

The national Center for Energy Workforce Development provides a critical foundation for MEWDC. We also partner with and utilize the U.S. Chamber of Commerce Foundation Talent Pipeline Management (TPM) system.

Members have found great value in these benefits:

Network and Resources	Career Awareness and Exploration	Career Preparation and Readiness	Ready Qualified and Diverse Workforce
Grant opportunities – ready collaboration for state and federal grants providing resources to prepare your workforce.	Careers in Energy Week (CIEW) – structured approach to focus internally and externally on careers in energy.	A model and coaching for integrating the energy industry into your local school systems.	Source for talent pipeline in your local community – by participating in CIEW and facilitated local school partnerships.
Networking opportunities – understand the vastness of the energy industry and connect with peers.	10 MI Career Quest events facilitated by the consortium, exposing thousands of students to careers in energy each year.	Community college energy programs preparing people aligned with the needs of our membership.	Knowledge/expertise sharing on best practices, data and industry activity in the talent space.
